PUBLIC SERVICE
COMMISSION

Attorney General's Supplemental Requests for Information
Case No. 2005-00186

Response by ACN Communication Services, Inc.

1. State whether your company has changed any tariffs applicable to plans described, named or marked as "unlimited", as previously identified in your responses to the Commission's first data request, since the date of the Commission's first set of Data Requests, and if so, please attach/enclose copies of same.

ACN removed all restrictions regarding unlimited services in a tariff filing made July 13, 2005, effective August 12, 2005. A copy of the filing is attached.

ACN filed revisions to its tariff on December 6, 2005 which became effective January 5, 2006 that impacted several services. Among other things, the company grandfathered its existing ACN Advantage Unlimited service as of 1/5/06 and introduced several new services including ACN Advantage Unlimited II. A copy of the filing is attached.

2. With regard to any such plans, state specifically whether the word "unlimited" refers to minutes of use, area(s) of calling, or both. If the word "unlimited" modifies any other term(s) in the applicable tariff(s), please identify the term(s) so modified.

There is no longer any tariff language that limits the use of unlimited services.

3. With regard to any such plans, state:

- a. whether the tariff indicates that a penalty of any type or sort (including relegating the customer to a different plan) may apply in the event the customer exceeds any limitation on number of minutes included in the plan;

Not applicable.

- b. the nature of the penalty;

Not applicable.

- c. whether the penalty has ever been imposed;

The company has not imposed any tariff penalty in the past and the language indicating a penalty has been removed from the ACN Kentucky local exchange tariff.

- d. whether notice of the penalty is provided to the consumer, and if so, identify precisely where in the tariff or other materials (including but not limited to contract, advertising or marketing materials) any such notice is located, and cite the complete language of any and all such notice(s).

Not applicable.

Customers subscribing to the Company's Bundled Services must choose ACN as the local, intraLATA and interLATA primary carrier. Customers who later choose a carrier other than ACN for intraLATA or interLATA calling will remain on this service until the Company is notified that this service is no longer the service of choice for the Customer.

All local exchange access lines block 900/976 calling.

Travel Card Service is available to Customers upon request. Travel card calling is not included in any call allowance (See the Company's Kentucky Tariff No. 1).
